## § 506.2

### § 505.14 Specific exemptions (Subsection (k)).

The specific exemptions focus more on the nature of the records in the system of records than on the agency. The following categories of records may be exempt from disclosure:

(a) *Subsection (k)(1)*. Records which are specifically authorized under criteria established under an Executive Order to be kept secret in the interest of national defense or foreign policy, and which are in fact properly classified according to such Executive Order;

(b) *Subsection (k)(2)*. Investigatory records compiled for law enforcement purposes (other than material within the scope of subsection (j)(2) as discussed in §505.13(a)). If any individual is denied any right, privilege, or benefit for which she/he would otherwise be eligible, as a result of the maintenance of such material, the material shall be provided to the individual, unless disclosure of the material would reveal the identity of a source who has been pledged confidentiality;

(c) *Subsection (k)(3)*. Records maintained in connection with protection of the President and other VIPs accorded special protection by statute;

(d) *Subsection (k)(4)*. Records required by statute to be maintained and used solely as statistical records.

(e) *Subsection (k)(5)*. Records compiled solely for the purpose of determining suitability, eligibility, or qualifications for Federal civilian employment, military service, Federal contracts, or access to classified information, but only if disclosure of the material would reveal the identity of a confidential source that furnished information to the Government.

(f) *Subsection (k)(6)*. Testing or examination records used solely to determine individual qualifications for appointment or promotion in the Federal service when the disclosure of such would compromise the objectivity or fairness of the testing or examination process.

(g) *Subsection (k)(7)*. Evaluation records used to determine potential for promotion in the armed services, but only if disclosure would reveal the identity of a confidential source.

### § 505.15 Exempt systems of records used.

The BBG is authorized to use exemptions (k)(1), (k)(2), (k)(4), (k)(5) and (k)(6).

### § 506.1 Purpose of program.

Many individuals in society possess great productive potential which goes unrealized because they cannot meet the requirements of a standard workweek. Permanent part-time employment also provides benefits to other individuals in a variety of ways, such as providing older individuals with a gradual transition into retirement, providing employment opportunities to handicapped individuals or others who require a reduced workweek, providing parents opportunities to balance family responsibilities with the need for additional income, providing employment opportunities for women returning to the workforce and assisting students who must finance their own education or vocational training. In view of this, the Broadcasting Board of Governors will operate a part-time career employment program, consistent with the needs of its beneficiaries and its responsibilities.

### § 506.2 Review of positions.

Positions becoming vacant unless excepted as provided by § 506.7, will be reviewed to determine the feasibility of converting them to part-time. Among the criteria which may be used when conducting this review are:

(a) Mission requirements and occupational mix.

(b) Workload fluctuations.

### § 506.3

- (c) Employment ceilings and budgetary considerations.
- (d) Size of workforce, turnover rate and employment trends.
- (e) Affirmative action.

### § 506.3 Establishing and converting part-time positions.

Position management and other internal reviews may indicate that positions may be either converted from full-time or initially established as part-time positions. Criteria listed above may be used during these reviews. If a decision is made to convert to or to establish a part-time position, regular position management and classification procedures will be followed.

### § 506.4 Annual goals and timetables.

A Board-wide plan for promoting part-time employment opportunities will be developed annually by the Office of Personnel after consultation with the operating elements. This plan will establish annual goals and set deadlines for achieving these goals.

### § 506.5 Review and evaluation.

The part-time career employment program will be reviewed through semiannual reports submitted by the Director, Office of Personnel to the Associate Director for Management. Regular employment reports will be used to determine levels of part-time employment.

### § 506.6 Publicizing vacancies.

When applicants from outside the Federal service are desired, part-time vacancies may be publicized through various recruiting means, such as:

- (a) Federal Job Information Centers.
- (b) State Employment Offices.
- (c) Broadcasting Board of Governors Vacancy Announcements.
- (d) College and University Placement Offices.

### § 506.7 Exceptions.

The Director of the Board and the Associate Director for Management may except positions from inclusion in

### § 507.2 Definitions.

The following definitions apply:

(a) The term *agency* includes any establishment in the executive branch of the government headed by a collegial body composed of two or more individual members, a majority of whom are appointed to such position by the President with the advice and consent of the Senate, and any subdivision thereof authorized to act on behalf of the agency. The Broadcasting Board of Governors is a government agency headed by a nine-member board, eight of whom are appointed by the President with the advice and consent of the Senate, and the ninth being the Secretary of State. Therefore, the Broadcasting Board of Governors is an “agency” under these terms.

(b) The term *meeting* means the deliberation of this Board where such deliberations determine or result in the joint conduct or disposition of official Board business.
